

Television station WTV, Channel 13, will begin program service covering most of the upper half of the Michigan Lower Peninsula by January 1, 1954 from Cadillac. WTV is the primary affiliate of the CBS television network for North Michigan and also will have available programs from the ABC and DuMont networks. The station, which will not be connected for live network programs during its initial operation this winter, will produce both film and live-camera local shows in addition to the filmed and kinescoped network shows.

WTV is operated by the Spartan Broadcasting Company, a wholly-owned subsidiary of the Sparks - Wilmington Company of Jackson, Mich., radio - television and automotive parts manufacturing firm.

Planned to provide the nation's first designed use of television service for a broad non-metropolitan area, WTV is licensed by the Federal Communications Commission for 1,282 feet of tower and antenna and an effective radiated power of 316,000 watts, the maximum power permitted for high channel VHF television broadcasting.

Because its original tower supplier failed to deliver WTV will operate this winter with a temporary tower which, with the station's regular antenna, will provide 532 feet of height. The full WTV tower will be constructed next spring. Initial operation also will be at a reduced power of 94,300 watts. Predicted initial coverage of WTV will provide primary signal strength at a radius of about 65 miles and secondary service out to approximately 85 miles, the broadest primary television service in Michigan today. Even with temporary tower, WTV will have the highest radiation center in Michigan, at 2322 feet above sea level, 1652 feet above the Great Lakes.

Tower and transmitter of WTV are located approximately nine miles southeast of Cadillac, 2 1/2 miles south of M-115 on the Dighton Road, on the highest elevation in the Michigan Lower Peninsula, 1703 feet above sea level. Temporary studio operations also will be conducted in the transmitter building until other facilities can be provided next summer.

Construction of the WTV transmitter building is scheduled for completion October 23. Erection of the tower will begin October 19. Transmitter and antenna are due to reach Cadillac the last week of October.

At its initial tower height and power WTV will provide the only primary television service for 331,200 population, the only usable service to an area of another 114,200 population, and will serve another half-million of population already receiving primary television service in the center of the state from Bay City to Muskegon. At full tower height and power the station will serve an area of 1,224,849 population.

Included in the initial primary coverage area are the cities of Cadillac, Traverse City, Manistee, Ludington, Big Rapids, Greenville, Mt. Pleasant, Alma and Midland.

Offices of WTV are located at 214 No. Mitchell Street, Cadillac.

## Begin Junior Bowling Loop

A junior bowling league started last Saturday afternoon with four teams being on hand to bowl. Another team is now formed and a sixth is nearly complete and it is hoped by next Saturday afternoon to have a full eight team league.

The teams formed so far are: Colliers - Jinx Parkinson, Arnold Stancil, Dennis Hayes, Bill Holzman and Charles Snyder; Tigers - Linda Peterson, Nancy Wilcox, Patty McNeil, Ann Marie Stencil and Nancy Cornell; Hellicats - Linda Bell, Martha Stillwagon, Linda Felling, Deanne Herrick and Claudette Long; Frisbie Five - Helen Balch, Margie Stillwagon, Judy Sorenson, Linda Smock and Karen Hanson. These four teams bowled last Saturday.

Another team that is formed now and ready to go is the Meatballs-Dorothy Kolka, Dolores Kolka, Nancy Hosner, Linda Malonen and Shirley Malloy. The partly formed team is the Screwy Five - Kay Ann LaMotte, Barbara Cornell and Marilyn Burch.

The Colliers took four points from the Tigers and the Hellicats from the Frisbie Five last Saturday. The first game scores were used as rolled with a 75 percent pot figured for the second and third games. The total averages will be used for this Saturday's games. High series were: Charles Snyder 325, Bill Hall 303 and Linda Felling 286. High games were: Bill Hall 128, Charles Snyder 115 and Linda Felling 111.

High team games were the Hellicats with 467 and 436 and the Colliers with 419 and 418. High team series were the Hellicats 1308 Colliers 1223 and the Frisbie Five 1107. Saturday the Frisbie Five met the Colliers on Alleys 5 and 6 while the Hellicats met the Tigers on alleys 3 and 4. The other teams will be paired off as they are formed.

## Roscommon Bucks Face Vikings Here Friday Afternoon At 1 O'Clock

### Lake City Ties Vikings In 13-13 Upset

A fighting Lake City eleven took advantage of several breaks and Viking errors to tie Grayling 13 all in at least a minor upset. The Vikings figured to beat the Lake City team last Friday afternoon there by a touchdown or two. After a scoreless first quarter, the fast charging Lake City forward wall blocked a Grayling punt off the toe of Larry Kolka on Grayling's 42 yard line. The ball was finally downed on Grayling's 12 yard line from where the host team went around left end for the game's first score. The try for extra point was no good but a Grayling offside gave Lake City another chance which they made

good on a pass. Grayling took the kickoff and after rolling up two first downs to Lake City's 46 yard line, a pass play to Mel Luter gathered up eight yards. Gary Parkinson then tossed to Lloyd Felling to take the ball to the Lake City 32 yard line from which point Parkinson hit Gary Worden for the remaining 32 yards and a touchdown. The try for extra point failed and Lake City led 7 to 0.

In the fourth period Lake City drove deep into Grayling territory but the Vikings stiffened and held for downs on their own eight yard line. Grayling attempted to run the ball out of the dangerous spot but another offside penalty pushed them back to their three yard line. On the next play, a Grayling fumble rolled into the end zone. Lake City recovered it for their second touchdown. The try for extra point failed and the score stood at 13 to 6.

On the day's most thrilling play Gary Worden took the kickoff and fumbled 80 yards through the entire Lake City team to score Grayling's second touchdown. Parkinson converted the all important point after touchdown to give Grayling a tie, 13 to 13.

A change in schedule brings Roscommon Bucks to Grayling next Friday afternoon. The game is set for 1 p. m. Originally the game was slated at Roscommon under the lights. The Bucks boasted a big team this year which will outweigh the Grayling line. The Vikings, however, are expected to put up a stiff battle and a real good game with the winner a toss-up is expected to thrill the spectators.

## Raise \$637 For Legion

Crawford-Roscommon Counties Unit of Table Top gave a highly successful party, Monday evening, October 12th for the benefit of the local American Legion Building Fund. So much so that on Wednesday following, Ralph Froh, president of Houghton Heights, and Mr. and Mrs. Arthur Worden, vice president and secretary-treasurer, respectively, officers of the unit, turned over the neat sum of \$637.50 to the Legion. James Post and William LaChapell receiving the money.

The party was held at AuSable River Inn, Mr. and Mrs. Gene Brown, the genial hosts, donating the inn for the evening. A delicious family style chicken dinner was served to some 140 people. However before the party was over there were about 250 in all present. After dinner, dancing was enjoyed to music furnished by Mrs. Lena Box and Leon Schaffer. The Table Top unit received a commission of the evening's receipts and that is how the amount was realized.

M. J. Bills, Lansing state president of Table Top, and the organization's photographer of Bay City were on hand for the party, the latter taking pictures during the evening.

The local Table Top unit wishes to thank President Bills for attending and giving the evening's address as well as Mr. and Mrs. Gene Brown for the use of the Inn and Chef Herm and the waitresses for donating their time at the dinner.

## D. Hale Brake Is Governor Candidate

Hitting at the "confusion" which typifies Michigan government today and declaring that the future of the state has been made insecure by a Governor who has failed in harmonious leadership of state government, State Treasurer D. Hale Brake announced Tuesday that he will be a candidate for the Republican nomination for Governor in the 1954 primary election.

Brake said he made his decision to run "only after a thorough analysis of the needs of the government and a soul searching of my own character and record of nineteen years of service in state government."

Elected State Treasurer in 1942, Brake has been re-elected by overwhelming margins in the five succeeding elections. In earlier years he built an enviable reputation as State Senator for four terms and as county prosecuting attorney and a local school board member.

## Mercy Hospital Drive Nears Goal With \$282,000 Raised

Due to publication deadline it was impossible to report the final result of Grayling Mercy Hospital Campaign in this issue. The complete report will appear in next week's issue.

As of Tuesday, Oct. 20 the total reported was \$282,000, leaving \$18,000 to be raised. The Campaign Executive Committee stated that generous pledges from everyone would be essential to putting the campaign "over the top," for most of the larger pledges have already been received.

Although the campaign definitely ends on Oct. 21 with the final report meeting at the Pioneer Hill Sports Park in Roscommon, pledges on a fair or proportionate basis will be accepted after that date for additional funds can be used even though the goal may be reached. It is planned to have the Campaign Executive Committee in charge of the fund raising program until the hospital is built. The entire fund raising program has been sponsored by the Planning Board of the Hospital. The Sisters of Mercy have not conducted the campaign and will continue to leave the responsibility for all future fund raising activity in the hands of the Campaign Executive Committee and the Planning Board of the Hospital.

A complete public accounting of all funds pledged will be given in a paid advertisement in this paper in the issue of Nov. 5. The names of all contributors will be listed alphabetically along with the amount of each individual pledge or gift.

## Church School

Linda and Nancy Knibbs were welcomed back into the Kindergarten Department, having returned from Japan. Micky and Carol Miksell were new members in the Senior Department, where a number of belated registrations is bringing enrollment up near the number anticipated. Anita Annis celebrated a birthday anniversary in the Primary Department. Perfect attendance banners went to the first grade, one second grade class, one fourth grade class, and the seventh and eighth grade classes, but the biggest and brightest banner of all went to the staff, with all 32 members accounted for.

The Junior Choir will rehearse at 8:15 Wednesday. Because of the Harvest Supper which is being served in the dining room on Thursday evening, the adult classes will meet in the adult class room just outside the balcony. The study class meets at 7 and the Teacher Training Class at 8. A Youth Council meeting is scheduled for Wednesday, October 28.

## The Right-To-Work Laws . . .

Fourteen states have passed right-to-work bills, Alabama being the latest. These bills vary in details, but all of them provide, as the Los Angeles Times expressed it, "that no worker may be denied employment or discriminated against because he is or is not a member of a union. The right to join a union is thus protected, and the corollary right not to join is also protected."

Both of these rights are vitally important to free labor, union or nonunion. Under the closed shop or the union shop, the individual is powerless—if he is to hold his job and support his family he must stay in the union and pay it dues whether he wants to or not, and regardless of what he may think of the caliber and policies of union officials. Under the right-to-work idea on the other hand, where union membership is voluntary, union officials must please their members and give good service if they are to maintain the organization and hold their own jobs.

In signing Alabama's bill, Governor Persons pointed out that there are many national and regional organizations which have performed signal service for veterans, farmers, business groups, and others — and that in no case is membership compulsory. Then he said, "In my opinion, all of our labor unions will be far stronger and the members in them will have a far greater interest and respect in the organizations if membership can be shown to be desirable and they are not forced to join." In short, both fundamental individual rights and the cause of sound unionism itself are given basic protection in the right-to-work bill.

## BLUE CROSS-BLUE SHIELD

protection brings modern medical science within the financial reach of everyone!

THE CHANCES ARE 1 IN 3

THAT YOUR FAMILY WILL FACE A  
HOSPITAL BILL WITHIN THE YEAR!

## ARE YOU PROTECTED?

Your doctor is your friend in need in more ways than one.

You know him of course, as an expert on getting you well and keeping you that way. Less known, though perhaps not less important is the role he plays in helping you protect your family against the cost of illness or accident.

Fourteen years ago, together with hospital officials, business men and labor leaders, Michigan doctors helped start the Blue Cross - Blue Shield non-profit organizations to bring modern medical science within the financial reach of everyone.

Since then, Blue Cross - Blue Shield have paid out over 300 million dollars in benefits. With over 3 million members, Blue Cross - Blue Shield is Michigan's most widely used health-care protection.

Blue Cross - Blue Shield pay more . . . for more hospital and medical services . . . for more people!

What BLUE CROSS Does!

Blue Cross Comprehensive Group Hospital Plan covers a wide range of hospital services, for up to 120 days, in any one of over 200 participating hospitals.

What BLUE SHIELD Does!

Blue Shield Medical-Surgical Plan pays generous amounts to your doctor for thousands of listed medical-surgical procedures, and for his hospital visits in non-surgical cases.

Protection Without Problems!

There's no red tape with Blue Cross - Blue Shield. Simply show your identification card to your doctor or hospital admitting clerk. Needed benefits are taken care of automatically!

How to Get BLUE CROSS-BLUE SHIELD:

Ask your employer. Check your Farm Bureau or Grange! Write or call your nearest Blue Cross - Blue Shield office.

Adult activities committee—Mrs. Frank Muhr, chairman, Mrs. Joseph Cinciala, Mrs. John Brady, Mrs. Theodore Visnew, Mrs. Don J. Clune and Mrs. Roy C. Roper, Jr. Spiritual activities—Mrs. Lawrence Hunter, publicity—Mrs. Wilfred Laurant. Other officers besides Mrs. Hall are Mrs. Gould, vice president, Mrs. William Hoffman, secretary-treasurer.

The members have as their feature project for this year, the establishment of a library for St. Mary's school, and a certain amount was voted at this meeting as a starter towards it. Money derived from bake sales and other activities the coming year will go into this fund.

The regular meeting night is the third Tuesday of each month, however because of hunting season the next meeting will be held on Nov. 10th and at the home of Mrs. Laurant.

Serving on the lunch committee for the evening were Mrs. Leland Marshall, Mrs. Wesley LaGrow and Mrs. Floyd Wylie.

## Grayling Band Attends MSC Football Game

On Saturday, October 18, 35 sleepy-eyed members of the band started at 7:30 a. m. for Lansing, to attend the football game between Michigan State College and Texas Christian.

On the way down as well as on the way back we consumed numerous jugs of cider, potato chips, popcorn, etc. Also the squirt guns and noise makers that were purchased by some of the members added to the excitement.

Upon reaching Lansing about 1 p. m. we had a delicious lunch at "Lights" restaurant and then went on to Michigan State College where the game was to be held.

The Michigan State College Band put on a very elaborate and excellent showing before the game, at half time, and afterwards. This was both interesting

and entertaining and I am sure none of us will ever forget it. To make a perfect day come to a glorious end, Michigan State won the game.

Amos Hoesli was our driver and we appreciate his sense of humor. On our future trip we hope he will be kind enough to accompany us again.

## Vast Rail Improvement Program Aids Farms on New York Central

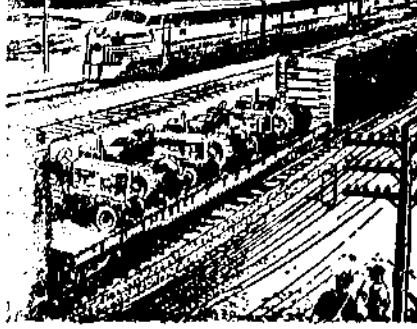

**1. BUMPER CROP OF BOXCARS!** Nearly 19,000 new cars have joined New York Central's great grain-carrying fleet since 1946. That \$3-million-dollar investment assures prompt movement of crops from farm to market. And it's just one way that Central's program of progress benefits farmers.

**2. OPEN DOOR TO WORLD MARKETS.** Central tracks link the farms of 11 states with the great ports handling 85% of U.S. Atlantic trade. And in recent years, New York Central has invested millions to improve its shipside facilities that include up-to-the-minute food-handling equipment.

**3. ALWAYS LOOKING AHEAD.** New York Central's Agricultural Department actively supports the 4-H Clubs. Also, it constantly seeks better ways to transport food. Ideas like the new, adjustable-deck livestock cars and super-low-temperature refrigerator cars now rolling on the Water Level Route.

**4. IT'S A TWO-WAY JOB.** In any weather, the year around, Central's great new locomotive fleet not only hauls food to market, it also speeds supplies and equipment to the farms. And it does both at an average of only 1 1/2¢ per ton per mile. For dependable, low-cost transportation is always the CENTRAL IDEA!

## You'll get more than you expect

In feature after feature, Ford matches the finest...

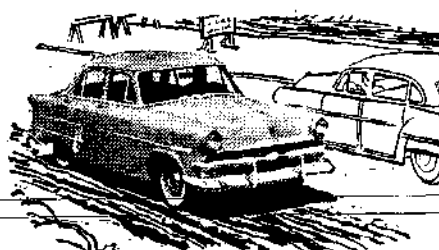

with fine car ride... fine-car build... and fine-car V-8 GO!

Check these fine car features that are yours when you buy a Ford, the one fine car in the low-price field. You get glass area galore... the most in Ford's field. You get more usable inside space than in any other low-priced car. Seats are foam-rubber-cushioned both front and rear. You get such Ford advances as convenient Center-Fill Fueling and suspended clutch and brake pedals. But here are the big reasons why Ford is worth more when you buy it and when you sell it, too!

## V-8 or Six power

Only Ford in its field offers you a fine-car high-compression V-8 engine... the result of Ford's experience building more V-8's than all other makers combined. And Ford's high-compression, low-friction Six is the most modern Six in the industry. Both engines have Ford's exclusive Automatic Power Pilot which squeezes the last drop of power out of every drop of gasoline.

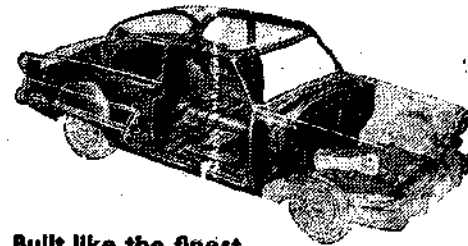

## Up to 80% less road shock

Ford has reduced front end road shock (the kind you notice most) up to 80%. And by a perfect teaming-up of rear springs, diagonally-mounted rear shock absorbers and tailored-to-weight front springs, Ford has proved that a car can ride smooth as silk without gas-eating extra weight.

## Master-Guide power steering

Ford Master-Guide is the last word in power steering. It does up to 75% of the steering work for you when you need it... yet it leaves you with a natural feel of steering on the straight-away. And it helps you control the car on rough, rutted roads. Available on all V-8 models.

## Built like the finest

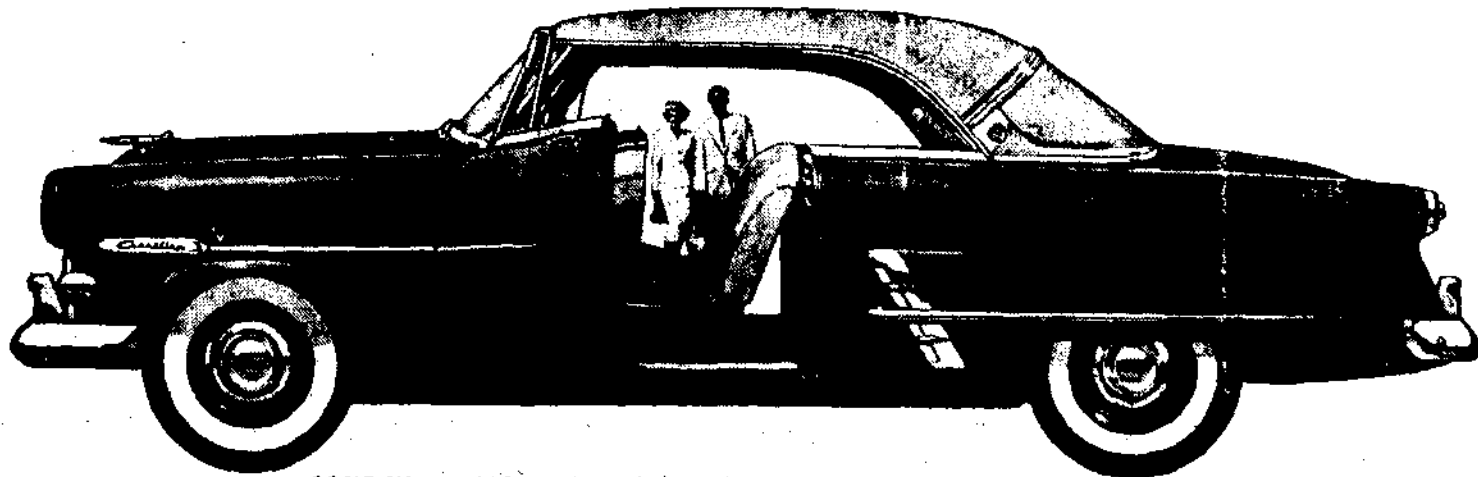

Ford's hull-tight body is sealed against water, dust and draft. Body panels are made of steel of the same quality and thickness as that used in the costliest cars. Ford's rugged box-section frame has five strong cross members including a special K-bar member which adds extra twist resistance... gives longer car life.

## Fordomatic Drive

It's the finest, most versatile of all automatic drives... combines the smoothness of a fluid torque converter and the "Go" of automatic mechanical gears. Ford also offers you Overdrive and Conventional drive.

*Prevents stalling with a  
remarkable **DE-ICER** additive.  
Prove it with one tankful!*

**A THIN FILM OF ICE—**

a major cause of engine stalling

Even when outside temperatures are from 58° to 28° rapid evaporation of gasoline can cause a thin film of ice to form on the carburetor throttle plate. Ice shuts off the flow of fuel during idling. Then, when you make a stop, your fuel-starved engine sputters and dies. **DE-ICER** additive in New STANDARD WHITE CROWN Premium Gasoline prevents carburetor ice.

Believe it or not, when your engine quits in traffic at this time of the year, chances are that ice does it. Yes, ice causes cold-motor stalling even on Indian Summer mornings! Carburetor ice! And this amazing fast-freeze is likely to occur when the temperature registers between 58° and 28° above zero!

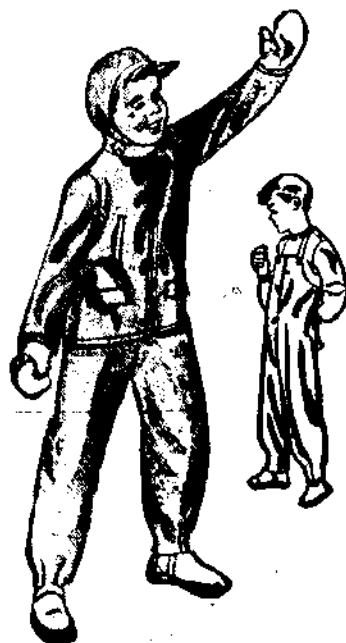

For years motorists have mistakenly blamed their cars for this cold-motor stalling. But now Standard scientists have solved it.

New STANDARD WHITE CROWN Premium Gasoline contains a costly **DE-ICER** additive. This **DE-ICER** additive is a built-in anti-freeze that prevents the formation of a thin ice film. Ice that can cripple the action of your carburetor!

And remember... you can't buy a more powerful gasoline.

Stop in today and get the gasoline that does what no other gas will do—PREVENTS STALLING due to carburetor ice.

You expect more from **STANDARD** and get it!

# DOLLAR FOR DOLLAR YOU CAN'T BEAT A PONTIAC!

## It's the RIGHT CAR!

What's the "right car" for you? It must be handsome, of course. A good performer, too. And dependable? Economical? For beauty, Pontiac offers the Silver Streak distinction that is admired everywhere. The power and stamina of Pontiac's rugged, high-compression engines are unmatched at anywhere near the price. Pontiac's dependability and long-life economy are a matter of record. For every important value extra Pontiac's your car!

## It's the RIGHT PRICE!

The price of a Pontiac will never sway you from buying the right car. Pontiac engineers discovered long ago that—for very few extra dollars in price—they could build into Pontiac cars a great deal of extra quality. Come in and let us prove how easy it is to own a big, luxurious, fine-performing Pontiac!

## It's the RIGHT TIME!

Your present car will never be more valuable as a trade-in! So don't put off the pleasures of Pontiac ownership. "Dollar for Dollar you can't beat a Pontiac" never meant more than it does today! We're sure you'll agree it's the right car—the right price—and the right time.
